We have increased the check out limits for Bridges and Hoopla, both available on our website at [www.oelwein.lib.ia.us](http://www.oelwein.lib.ia.us). Bridges checkouts have increased from three to five and Hoopla from five to ten. Need help logging in? Other resources available under the Resources tab on our website. These include Credo Reference, Transparent Language, Gale Resources, and access to the Oelwein Daily Register Archives. **For the kids:** Video Pages & Play Club with Miss Katie. Like being read to? Check out Story Online at [www.storylineonline.net](http://www.storylineonline.net). These are fun children's stories read by celebrities. The book pages are animated so they "come to life" for the viewer. Enjoy together! Adults will find some of their favorites from a "few" years ago.

**For the adults:** Join the discussion on our Virtual Book Club on our Facebook page. The book selected is *Not a Sound* by Heather Gudenkauf. It is available as an ebook or audiobook on Hoopla with no waitlist. Stay tuned to our Facebook page for updates and to join the discussion.

THE GILDER LEHRMAN  
INSTITUTE of AMERICAN HISTORY

Have you seen the musical Hamilton?  
Here is your chance to play your part!

The Gilder Lehrman Institute of American History and Hamilton bring to you the Hamilton Education Program experience for FREE for K-12 students and their families.

EduHam at Home was created in March 2020 in response to the COVID-19 outbreak that forced school closures throughout the country. It is an extension of the Hamilton Education Program (EduHam), which has served more than 160,000 students across the country since 2016. Through EduHam, students study primary source documents from the Founding Era, learn how Lin-Manuel Miranda used such documents to create the musical *Hamilton*, and finally create their own original performance pieces based on the same material. EduHam at Home provides a family version of EduHam that can be accomplished outside of a school setting. It will continue to be available through August 2020.

A wealth of FREE materials will be provided for participants to explore including video clips from *Hamilton* and interviews from cast members.

EduHam at Home participants will be invited to submit their own *Hamilton*-inspired pieces (songs, raps, spoken-word poems, or scenes), and selected student performances will be shared on social media and this website.

Learn more about this program and register at [www.gilderlehrman.org/programs-and-events/eduham-home](http://www.gilderlehrman.org/programs-and-events/eduham-home).
