“The Library Noise”

July Calendar

No Events

Beginning Monday, July 6, library patrons will not have access to the main part of the library. The library will be involved in an improvement project. Throughout the month of July, new carpeting will be installed in the library. During this time, library patrons will have access to a limited number of computers set up in the meeting room. In addition, patrons can request books, magazines, DVD's, and newspapers for check out. A computer catalog and a Census Response kiosk will be set up in the back entrance, as well. Librarians will gather the requested items and patrons can either pick up the items at the back entrance of the library or call for curbside pickup.

Temporary, reduced hours will continue throughout July. Hours are Monday-Friday, 9:30-6:00 and Saturday 10:00-2:00.

The following people made donations in memory of loved ones during the month of June:

In loving memory of *Wally & Joan Fairchild*
The Friends of the Oelwein Library
In loving memory of *Nancy Akin*
The Friends of the Oelwein Library

For more information on how you can create this lasting tribute to someone you have lost or would like to honor, please contact Deann Fox at 283-1515.

KID ZONE July 2020

This year, due to the Pandemic, our patrons participated in the Summer Reading Program all online. Each week participants were given a craft kit to make at home. If you have a picture of yourself with your craft and would like to share, please send us an email at oelwein@oelwein.lib.ia.us. We can share it on our Facebook page. The library utilized the Reader Zone app for tracking minutes read. We would love to hear from you on how this worked for you. Easy to use? Like it? Or any other comments you may have. Names will be drawn for the prizes and winners will be notified by email or phone on when they can come pick it up. Thank you to all who participated!

FREE Fun Online Learning For Kids & Families!

Fun at Home From ISU College of Engineering

This website offers easy to do activities for kids and families. Daily themes with something to do hands-on with things around the house, dive deeper into the STEM concept, watch a program or movie together and a little bedtime boredom buster. Access the website at www.isek.iastate.edu/at-home-activities.

Each Wednesday a new LEGO build challenge will be presented where any age person can take part and be recognized. Sign up for updates at <http://eepurl.com/gXu2Uj>

“Our unit exists to share with young people the fun and innovation in engineering and promote engagement with our Iowa communities on behalf of Iowa State University College of Engineering. Throughout the summer, we will be offering fun STEM things to do, even if it is from a distance. Watch for more details on our website about free virtual camp opportunities for students grades K-8.”
