“The Library Noise”

We will be implementing our temporary hours and restrictions for September.

Hours: Temporary hours will be Monday-Friday 9:30 am. - 6:00 pm. and on Saturday 10:00 am. - 2 pm.
Going In: Library services will be along the lines of a "Get 'n Go" service. Patrons will pick out their items, check them out, and take them home.
Internet: Limited computers will be available for once-per-day use for 45 minutes. The Wi-Fi will be available during open hours.
Only 20 At A Time: The maximum capacity of visitors in the library building will be limited to 20 people at one time.
Meet Elsewhere: No meetings will be scheduled in the library facility.
Services On Hold: Services that would require a lot of interaction or touching of surfaces will be temporarily suspended, such as passport services, faxing of documents, and the use of the copy machine.
One-Way Route: In order to help patrons maintain a six-foot distance, a one-way traffic flow will be implemented. Patrons will enter through the main entry way and exit out the back door.
Take-Out Still Available: Curbside pickup will still be available for those who would rather not go inside the building.

Have a question?

Talk with a librarian on our live chat. This link can be accessed on our website at www.oelwein.lib.ia.us.

Bold360 Agent is a live chat program that will allow library patrons to engage in a virtual chat with librarians through a chat window deployed on your library's website. Customers will be able to access that chat window and initiate a chat by clicking the chat button that will be visible directly on the library's site, regardless of whether a customer accesses the site via a mobile device or their desktop. This solution will allow library staff to help customers find information, reserve books, write a resume, or learn about upcoming programming without in-person engagement.

Read along with us this September!

The Libraries Transform Book Pick digital reading program returns with Lauren Francis-Sharma's epic saga "Book of the Little Axe." Join the Oelwein Public Library and book lovers nationwide in reading the same ebook and discussing it online using the hashtag #LTBookPick. Ebook copies of "Book of the Little Axe" will be available September 14-28 without any waitlists or holds. You will only need a library card and the Libby app to borrow and read the ebook. The ebook is the second selection of the Libraries Transform Book Pick, which offers simultaneous access to an ebook through public libraries to engage readers and foster conversation across communities. The selection of "Book of the Little Axe" for the Libraries Transform Book Pick was made in consultation with experts at Booklist. The digital reading program is a collaboration between the American Library Association (ALA) and OverDrive. Additional information can be found at lovelibraries.org/libraries-transform-book-pick.
