Summer Reading Program Highlights

Another Summer Reading Program in the books. We are so glad to be back to a "normal". Patrons enjoyed making pretty keepsakes in our Flower pounding program that was held on June 9th.

Leaf Art was another fun interactive program that was held at the library on June 18th.

Patrons were delighted to learn how stained glass is made. CJMS is a group of local artists who showed us how these pieces are put together. They are a lot of hard work, but so pretty to look at. Three lucky winners went home with a handmade ornament. This program was on June 22nd.

We had 31 kids, 13 teens and 15 adults signed up for the program this year. We are looking forward to next year! Thank you to all who participated and a **BIG THANK YOU** to our program presenters.

Book Club!

July's book will be *Girls From Ames* by Jeffery Zaslow. If you would like to join Contact Deann at the library, by phone at 319-283-1515 or by email at dfox@oelwein.lib.ia.us for more details. Discussion will be Tuesday, July 27th at 2:00 pm.
